KCIW's Vision 2022/2023

Definition of KCI Worldwide

Definition of KCI in Heaven given by God in 2015:

An ecclesia of apostolic governance that reigns in the realm of heaven. They are sons and daughters of God who reign are permitted to rule from Zion in the earth; a people called by the Name of God, nameless and faceless, so radiant are they with presence of the Lord Himself.

They are glorious ones. They know the routes of heaven and instruct those in their care in the ways Heaven, my Kingdom. They are ones to whom have been revealed the mysteries of the Kingdom. They can be found in the far reaches of the universe uttering forth the mysteries of God. KCI rules with the authority of heaven, establishing decrees released from the very throne of God itself. Their way is unparalleled.
